PROJECT NAME: _____

GENERAL INFORMATION:

The Bollux Bollard from Bullard Outdoor is an efficient 10W LED solution designed for durability and style in outdoor spaces like gardens, parks, pathways, and villas. Built with robust cement materials, it ensures high IP65-rated protection against corrosion and compression. Operating on 110-277V, this bollard is available in two heights, 17.7" (45 cm) and 29.5" (75 cm), and offers dimming options of 1-10V and non-dimmable settings. With beam angles of 24°, 36°, and 45°, color temperatures ranging from 3000K to 6000K, and CRI options of 80 or 90, Bollux combines reliability with energy efficiency for any outdoor lighting project.
