GENERAL INFORMATION:

Break Corner belongs to display system collection. It is modular, versatile and innovative and it could be used as an angular bar counter or as a reception. Its modular structure matches with Break Bar, Break Line and Ice Bar. Break Corner is a luminous corner bar and it is ideal to light up small places, but also big areas and outdoor spaces. Break Corner matches with a lot of other luminous products, to create different and personalised combinations for a complete bar counter. It is a useful and angular bar counter that lights up all kinds of spaces, including small areas. Break Corner could be customised with logos or images, ensuring a unique, easily identified product.
