GENERAL INFORMATION:

The Gelee Lounge by Bullard Outdoor is a non-illuminated furniture solution engineered for both indoor and outdoor use. Manufactured from high-density polyethylene with optional soft polyurethane finishes, it combines durability with ergonomic design. With dimensions of Ø37.80" (96 cm) and a height of 25.20" (64 cm), the chair features an integrated backrest for enhanced comfort. Its sculpted, monolithic form draws inspiration from soft gelatin shapes, offering a distinctive aesthetic ideal for commercial lounges, hospitality environments, or contemporary public spaces. Available in soft-touch finishes—Soft White, Soft Apricot, and Soft Yellow—the Gelee Lounge weighs 55.12 lb, ensuring both stability and ease of relocation.
