**GENERAL INFORMATION:**

Ed is a luminous table and it is the perfect mix between different shape and materials: its base is conical and made in polyethylene, its top is round and it is in tempered glass. Thanks to its linear and essential design, Ed could be adapted in every kind of indoor or outdoor settings, for contract, events and private houses. The contemporary lighting base makes richer its elegant design, so Ed is an ideal actor to impress your guests. Ed has become a best seller of the whole BULLARD BOLLARDS production, thanks to its dim light, its glass top and its essential design.
