

FIXTURE TYPE: _____

PROJECT NAME: _____

NOTES:

GENERAL INFORMATION:

Frame of Love has got an ironic and pop design, as the whole Design of Love collection. The baroque style, rich in details, perfectly matches with the contemporaneity of polyethylene. Vintage and sophisticated, Frame of Love is ideal in every kind of settings, both indoor and outdoor, both for domestic rooms or contract projects. Thanks to its different dimensions, it is possible to create different compositions with frames in different colours or dimensions.
