PROJECT NAME: _____

NOTES:

GENERAL INFORMATION:

Little Prince of Love is a pouf that reminds the pop and ironic soul of the whole Design of Love collection: it is perfect to complete furnishing with the Queen of Love armchair. It has arched legs and it is rich in details, as Baroque style furniture, but it keeps its contemporary thanks to the material in which it is made, polyethylene. Little prince of love is composed of two different pieces and they could be in different colours, to create a unique and customized furniture.
